

Warwickshire Children's University

Warwickshire Children's University provides children aged 7 -13 years (key stage 2-3) with the opportunity to extend learning beyond school by completing a diverse range of modules. It takes place out of school hours (i.e. after school, weekends, holidays), in Warwickshire Schools and registered partner organisations.

Aims

- Promotes lifelong learning through 'A varied menu of activities' (core offer for extended services).
- Develops new skills by engaging children in fun, creative, quality learning activities linking with Every Child Matters
- Improves self esteem, motivation and confidence
- Raises standards and recognises achievement
- Involves community and partner organisations who offer children's University modules.

Modules

There is a diverse range of quality learning activities offered and Warwickshire Children's University accredits each different module.

1 Module	(8 hours)	=	1 certificate
3 Modules	(24 Hours)	=	Bronze medal
6 Modules	(48hours)	=	Silver medal
9 Modules	(72hours)	=	Gold Medal
12 Modules	(90 hours)	=	High Achievers
15 Modules	(120hours)	=	Special Award

Certificates, bronze and silver medals are awarded at school assemblies. Gold medals and higher awards are presented at an annual graduation ceremony in partnership with the University of Warwick, institute of Education.

Paddox Primary School is registered with Warwickshire Children's University and offers a range of modules, but your child can also build up modules through a range of partner organisations.
