Dear Parents/Carers of Pupils at Paddox

Yet again I am having to spend my time dealing with local residents, particularly those from Everdon Close, who are angry that their drives are blocked and that their drives are being used as a turning circle.

Let me make it quite clear – Everdon close is a private road and you CANNOT drive on it, beyond our turning circle or park in it or block anyone's drive.

The gate from Everdon Close to Paddox was opened 2 years ago as a Pedestrian gate only. We have worked with the neighbours to provide a turning circle at the top, but this is being abused.

Unless parents/carers operate the correct system in Everdon Close, I will have no choice other than to close the pedestrian gate, which is exactly what the residents want.

For the sake of a few parents/carers who are parking without due care and attention, we could lose, a well-used entrance and exit.

Please help me to improve the lived experience for our neighbours, traffic must be able to flow up and down Everdon Close at all times.

I would also ask that you take your rubbish home and not use the bins of our neighbours in Everdon Close.

As the school continues to grow this gate is a key part of the entrance and exit policy – I do not want to lose it, so please support me in this matter.

Yours sincerely

Jane Le Poidevin
Headteacher
