Dear parent/carers

The Wellbeing Award for Schools (WAS)

As you may know already, Paddox Primary School is working towards achieving the Wellbeing Award for Schools.

In order to make sure that we improve the support we offer, we want to understand how well we are currently supporting the emotional wellbeing of our pupils. For this reason, we are inviting parents and pupils at our school to complete an anonymous survey. As parents, you can log onto the school website and visit the Wellbeing page which is located under News and Letters, Wellbeing Award 2018. You will see the Parent Link at the top right-hand side of the page.

The following information is important since it will explain about both the survey process and how the information gathered will be used.

Why we are writing to parents/carers

We are asking for your permission to invite your child to complete the survey. If you are happy for your child to do this then you do not have to do anything. However, if you do not want your child to complete the questionnaire then please let us know by Monday 23 April 2018.

If we do not hear from you, we will assume you are happy for your child to take the survey. Please be reassured that by deciding against you or your child taking part in the survey will not disadvantage you or your child in any way. However for our results to be meaningful we need at least a 50% uptake of our parent population.

If you are unsure about whether you would like your child to take part and you have some questions about the survey, you are welcome to contact Mr Goggin goggin.m@welearn365.com

Why has my child been asked to take part and what will they do?

The survey has been specially designed for pupils. It is a survey which should take about 15 minutes to complete at school. The answers your child gives to the questionnaire will not be seen by their friends or teachers - unless your child chooses an adult to help them complete the questions.

What will happen with the information that your child gives us?

The information from the survey will help our school to improve its work in providing better provision for emotional wellbeing and mental health. All information collected is anonymous and will be kept confidential.

What we need parents/carers to do

We would really appreciate it if you could complete the survey via the school website.

Thank you for your continued support, particularly in this crucial area of school life.

Yours sincerely,

Mr M Goggin
Wellbeing Award Representative
