Dear Parents/carers of Year 2

This year we have tried to limit the number of times that parents are asked to come into school during the working day, not because we want to restrict your involvement in any way, but more because we know time off for working parents is precious.

We also want to encourage parents to experience more of what a school day is like for our pupils. Therefore, you are invited to spend the afternoon of Wednesday 7 November with Year 2. The afternoon will start at 1pm with a school lunch, the cost is £3.16 and we would love parents to experience our school lunches. If you don't want a school lunch, then we look forward to seeing you at 1.30pm.

From 1.30-2.45pm you will spend time in the Year 2 classrooms with opportunity to view the work of the children and carry out a range scientific activities at 2:45pm Year 2 will present their year group assembly, after which you can take the children home.

I really hope you are able to join us for all or some of the afternoon. Please indicate on the reply slip below and return by Wednesday 24 October 2018. Please note that due to high numbers it is not possible for younger children to be brought along to this event, as there will not be enough room in the classrooms.

With best wishes
