7 December 2018

Dear Parents/Carers

### **Parking**

I know it was raining this morning and there were problems with a skip being dropped off, but please respect our neighbours in the local area when parking to drop off or collect your children.

The neighbours all know that they live by a school, but they have the right to be able to enter and leave their properties whenever they wish in a safe way.

Do not block driveways and be considerate with your parking. You must not park near junctions so that the view is blocked for all. You must park responsibly so that emergency vehicles can get through at all times

Ultimately all anyone wants is for all your children and parents to be safe and for all the local residents and their families to be safe. We all need to continue to work together to achieve that.

Thank you for your continued co-operation

Regards

Mrs Le Poidevin  
**Headteacher**

*PS We will allow parking on the front playground for the Christmas Fair, but the drive will be closed between 3:10 and 3:30pm*
