

9 April 2019

Dear Parents and Carers,

Thank you for your support this term; in particular, preparing the children for the performance. We really hope you enjoy it!

Swimming

For the first 4 weeks after Easter, group 1 (Miss Boucher) will continue to swim in the second session meaning that they will be back just after 3.20. After half term, group 2 (Miss Merrick) will swim in the later session. This decision was made based on the number of weeks we swim in the year and to ensure that no- one is at a disadvantage.

Water Bottles

As the weather is starting to get warmer, please ensure that your child has a named water bottle in school as unfortunately we are unable to provide them with a bottle. There has been too much sharing by the children, which can lead to the spread of infection.

We hope you have a lovely Easter break.

Miss Merrick, Miss Brandon and Miss Boucher
