

Dear Parents and Carers,

As part of our 'Year of Outdoor Learning' and our Design and Technology project, we will be taking some of the children from Pine class to the GEC park on the 23<sup>rd</sup> October and some of the children on the 11<sup>th</sup> December 2019.

We will be designing and building our own, smaller versions of a park during our Design and Technology sessions so this trip will help the children evaluate what they have made and how it could be improved.

The Design and Technology sessions run opposite the Food Technology sessions so only 15 children will be attending this trip at a time. The children who are currently doing Food Technology will visit the park on 12<sup>th</sup> December. **You will be advised by text message on Monday 30<sup>th</sup> September** for which date your child will be visiting the GEC park.

We will be leaving the school premises at 13:45 and will return to school at 15:00.

The children will not be eating any food but if your child has any allergies to any plants or other outside sources, please let your child's Class Teacher know.

Yours sincerely,

Miss Stock, Mr Patel and Mrs Maxey
