

# Around the Campfire

The Golden Threads in this topic are...

Sustainability, collaboration  
and resilience

In this topic, the children will take part in the Year 4 Camp out and will complete fieldwork in Rugby. As part of this, they will also learn survival skills, such as making dens and working around fires.

In PSHE this term our theme is 'Changing me'.

## In History we will:

Understand how land use has changed over time in the UK

## In Geography we will:

Look at key aspects of human geography in Rugby

Understand land use patterns in our local area.

Use the eight points of a compass, six figure grid references, symbols and a key.

Use fieldwork to observe, measure and record human and physical features of the local area using methods such as sketches and graphs.

Compare Rugby to another European city by comparing their human and physical features.

## In Reading we will:

Listen to and discuss a range of fiction and use this to create our own in the same style

Identify themes and conventions in a range of books.

## Texts that you could read at home...

The Kids Campfire Book: Official Book of Campfire Fun by Jane Drake and Ann Love

The ultimate survival handbook by Bear Grylls.

5 go off to camp - Enid Blyton

## New vocabulary we will learn:

Compass: a tool for finding direction.

Settlement: any place where a human lives; from a small house to a large city.

Landmark: an object or feature of a landscape or town that is easily seen and recognised from a distance.

Tourist: a person who travels for fun

Tourism: the business of encouraging and looking after tourists.

Land use: when an area is used for a specific purpose.

Don't forget to check out your local library!
