Dear Parents/Carers

Paddox Parent Council

This council has been running for a few years now and has helped school significantly respond to the needs and wishes of parents. We want to continue productive conversations that move experiences for pupils and parents forward. If there is a specific problem that a child or family are facing, then please bring that to us directly so we can help and support, don't wait for parent council.

This is an opportunity for one parent representative from each class to meet with me and members of school staff, once per term. The idea is that school can share ideas about how the school is developing and that parents can contribute to future developments. Due to the current COVID situation the Parent Nominee will need to ensure that they have the necessary facilities at home to join a MS Teams Meeting as we will be unable to meet as we would normally do. Meetings will be held virtually for the foreseeable future. This involves sight of email addresses of all those taking part.

Last year we developed Frequently Asked Questions, for parents by parents, which were sent out at the end of last term and we hope were helpful as your child moved from one year group to another.

I look forward to welcoming everyone to our council who is interested in representing the class their child is in.

Our first council meeting is planned for Thursday 11 October at 7pm, if you would like to get involved, please complete the reply slip below and return to the school office, by Friday 1 October 2021

With best wishes
