Dear Oak Parents/Carers and Pupils

The start of Year 6 in Oak Class in terms of behaviours has been disappointing. There are some children who have consistently behaved well, worked hard and continued to try to do their best. However there are others whose behaviours have not been what you or I expect and I am writing to let you know that I will be challenging these much more moving forwards, just as you would expect me to.

Miss Kaur, Mrs Humphries, Mrs Farmer and I are working hard to address the needs of all those who need it, but we need support from the children themselves to be the best they can be while in school.

To acknowledge the behaviours of those children who do the right thing all day every day, I am introducing Hot Chocolate Friday for Oak class where by Miss Kaur will choose 6 children each week that are available to come and have a hot chocolate with me and share the successes of their week.

Thank you for working with us to ensure all your children achieve the best they possibly can by the end of this academic year and that their last few months at primary school can be truly memorable for the right reasons.

With best wishes

Jane Le Poidevin  
**Headteacher**
