

## *Autumn 1 Newsletter October 2021*

How time has flown, we are about to celebrate our 1st Birthday. We can't quite believe our Resource Provision for primary aged children with SEMH issues has been open a year already. We now have a team of 4 staff and 7 children who come to us from around the county of Warwickshire. If you are wondering what Brambles looks like do have a look at our virtual tour on the Paddox Website under the Brambles tab.

### **Open Afternoon**

Last week we finally were able to welcome visitors to Brambles. Opening in the middle of a global pandemic hasn't been the easiest thing in the world so it was lovely to meet some of the wonderful people who have supported our journey. Present were representatives from WCC SEND, friends from Long Lawford and Henry Barney, Managing Director and Juliet Mumford from Grace Homes who have provided us with over £6500 to kit out our Sensory spaces and garden. We celebrated with Bramble cake and autumn biscuits.

### **Brambles**

#### **Harvest**

All the children in Brambles have their own plot in the garden where they can grow vegetables and flowers. This is just some of the harvest we grew this year.

### **Snails**

**pace.....we** rescued 5 African Land Snails from certain death before the Summer. They are now flourishing under the care of our children. They get bathed and cleaned on a regular basis and even get some exercise.

### **WANTED**

We love to cook every Friday in Brambles and have made a few delicious dishes. However we are desperately short of cooking equipment such as mixing bowls, rolling pins, saucepans etc. If you are having a clear out over the holidays we would happily take any good condition equipment of your hands.

### **Trousers, Joggers and Pants**

Do you have any of the above for boys aged 6-9 that your children may have grown out of? Please let Miss Texeira know if you have anything that might be suitable. Many Thanks!!
