

12th September 2022

Dear Parents/Carers,

Paddox Parent Council

This council has been running for a few years now and has helped school significantly respond to the needs and wishes of parents. We want to continue productive conversations that move experiences for pupils and parents forward. If there is a specific problem that a child or family are facing, then please bring that to us directly so we can help and support, don't wait for parent council.

This is an opportunity for one parent representative from each class to meet with me and members of school staff, once per term. The idea is that school can share ideas about how the school is developing and that parents can contribute to future developments.

I look forward to welcoming everyone to our council who is interested in representing the class their child is in.

Our first council meeting is planned for Thursday 13 October at 7pm, if you would like to get involved, please complete the attached [Parent Council Nomination Form](#) , by Friday 30 September 2022

With best wishes,

Kate Guymer
