

Year of Humanities: Every year we have a focus on one particular focus of the curriculum and we celebrate. This year we will be celebrating Geography and History. We have so many exciting events planned for the children. We will also be holding a careers fair, so will be looking for parent volunteers who whose work involves History or Geography to come into school and talk to the children about their role.

Year 3/4 Reading Event: A great time was had by parents and children who came along to the event on Tuesday evening. The evening based on the Eerie on Sea mysteries by Thomas Taylor saw over 100+ families complete puzzles, unlock codes and listen to the first chapter of each of the four books. A prize draw took place at the end with key-rings and posters for the winners.

Win for Mathematics Team! A huge well done to the Year 5 Team of Mathematicians who accompanied Mrs Eagles and Mrs Bourne to Princethorpe College this week to take part in a Maths Challenge morning. 36 local schools took part and YES we WON!!!! Super proud of our team.

Science Outreach comes to Paddox: As part of our science enrichment, Year 6 undertook two learning opportunities led by Bilton School. The first session saw children apply their understanding of living things and their environments, when meeting a range of reptiles and discussing their habitats. During the next session, children undertook a scientific enquiry by investigating various household items and determining whether they were an acid or an alkali.

Tag Rugby Festival: On Monday the children from years 3 and 6 took part in a Tag Rugby Festival at St. Andrew RFC. Paddox teams won lots of their matches but there was no overall winner. Go team Paddox!

Afterschool Clubs: If a club has to be cancelled unexpectedly, firstly we will try to arrange cover. If this is not possible, we'll contact parents/carers in the morning to give as much notice as possible.

Dates for your Diary

Parent's evenings: Virtual Tues 18 October and In person Wed 19 Oct.
