

18 November 2022

Dear parents/carers Year 3 and 4

Following our communication survey and in order to keep developing our close working relationship with you, we are trialling the use of an app called Class Dojo. It is a free resource that is widely used particularly in Primary education. In the past, I have found it really easy for everyone to use and can take away some of the frustrations of emails etc. It is entirely compliant with the data rules of GDPR too which is always reassuring.

You will receive a notification in your email with a link to follow. Below is a You Tube link that another school created to help parents if you would like.

<https://www.youtube.com/watch?v=IZYkx8jUJAg>

There are many different things that you can use Class Dojo for but for now, we will keep it simple and use it to share class news and examples of learning with you. You can also contact teachers directly on it, just as you can with emails at the moment. I have told teachers not to respond to these outside of working hours and at weekends so please do not expect an answer then. I can join each class too as can the admin team.

I hope you enjoy working with us on this trial for the benefit of everyone in our school.

Best wishes

Kate Guymer
