

Monday 28th November 2022

Dear Parents, Carers and Pupils,

Thank you for all of the amazing tombola donations you sent in on Dare to be Different day on Friday!

On the afternoon of Friday 9th December FOPS will be holding a traditional Christmas Fair for the children in Key Stage 2. This will take place in the hall and their teachers will bring them down to the fair, supervise during the event and take them back to their classrooms afterwards, so please collect as normal at the end of the day.

There will be lots of exciting fun and games to enjoy, including a name the elf competition, the roulette wheel, a raffle, a bottle flip challenge and of course the ever-popular tombola. There will be festive drinks and snacks available too. All games and refreshments will be priced at 20p and we suggest sending children in with no more than £3 to spend – this will be plenty for them to have a good time! There will be a free colouring and craft table available throughout.

If you have any questions please contact us on friendsofpaddoxschool@outlook.com

Best wishes

The FOPS Team
