

9 December 2022

Dear parents/carers

We have been approached by an organisation called Clubzone who operate holiday clubs for 5-13 year olds in Warwickshire. They currently work on behalf of the Local Authority to deliver the HAF programme – Holiday Activities and Food that some of you will have already benefitted from.

The club runs Monday - Friday 8:40am - 4:15pm and they provide activities such as sports, dance, drama, laser tag, archery, fencing and the funding also provides a free lunch. It would provide 1 week of care over Easter and 4 weeks during the summer holiday.

There is NO cost to the children that are eligible. (Pupil premium and free school meal children). In addition, they would also be able to offer paid places to our parents at a low cost and lower than we are able to offer in The Orchard so it sounds like a great opportunity for our families to benefit from high quality childcare right on our doorstep. This does mean that we will not be offering care on INSET days or holiday periods as our costs are too high to make it work.

Please see attached letter with further details.

Many thanks for your time,

Kate Guymer
Headteacher
