

Governor Profile

Name: Harvey Selwyn

Role: Co-opted Governor

Sub-Committee: Standards

Appointed: Jan 2019

I am currently a Director of Market Research (Consultancy Basis) for a property company based in London, with over 25 years experience in Market Research and Property market. My main career experience has been in sales and marketing. I have experience with the interpretation of data and how that can impact on areas. In 2010 I qualified as I full time driving instructor.

I believe in achieving high standards in education practice and giving children a safe and caring learning environment. Since my first visit to Paddox School, I have been extremely impressed with the high standards seen and the proactive nature of the schools staff.

I am married to Helen and have two children, one of which currently attends Paddox. My hobbies and interests include most sports but particularly football and golf, I enjoy watching films and listening to music, I have done volunteer work for 'Friends of St Cross' providing support to patients. During the week you will see me in my driving instructor car providing lessons to pupils.
