

Governor Profile

Name: Matt Shey

Role: Parent Governor

I have been a parent governor at Paddox since 2016 and was elected Chair in Dec 2019. I volunteered to be a governor after studying leadership & management with the Open university. I am passionate about primary education. Having grown up in north London, I have seen first-hand the impact it can have on setting you up on a path for life. In work, I lead large scale national change programmes. My early career started in the Armed Forces, as a telecoms engineer, serving mainly in Northern Ireland, Iraq and Chelsea. Outside work I coach under 10's football and love to play of any kind - whenever I can - some better than others!
