Dear Parents/Carers

This week we have the second planned day of industrial action by members of the National Education Union (NEU), Wednesday 1 March and I want to make you aware of the current situation.

This is a reminder, there is no obligation for teachers to let me know until the day of the strike and I do not know which classes will be affected. Equally, many of our teachers and support staff are parents too, and so they may not be able to report for work if their child's school is closed due to strike action. This is therefore very difficult to plan for.

I can confirm that you will be contacted by 7:45am on the morning of 1 March to confirm whether school is open or not. We will do this by text message at the earliest possible opportunity.

We are working closely with our staff to keep up to date with the situation, and I will inform you if anything changes before Wednesday. The other dates are 15 and 16 March – please add these to your calendar and we will send further updates nearer the time.

Kind regards

Ms K Guymer
