

21 April 2023

Dear Parents / Carers

To celebrate the King's Coronation, I am writing to inform you about an exciting competition for your child.

The Ideas Foundation have launched a national poster competition for children across the country to take part in. It will involve designing and making a digital poster. The winning entries will be displayed on digital billboards around the country during the Coronation Weekend (6th-8th May).

If you would like your child to take part in this competition, please see the attached Powerpoint presentation which includes all of the details and design brief.

Competition entries need to be emailed to Mrs Pearson no later than **Friday 28th April** so I can submit them for you. My email address is pearson.c1@welearn365.com

If you have any questions about this, please contact me. Happy designing!

Yours sincerely

Mrs Pearson
