Dear Brambles families

We would like to inform you of some important upcoming dates.

On the 10 July we would like to give Brambles the opportunity to visit Hatton Country Farm as their resource provision trip. This would give the children an opportunity to spend time with one another outside of the educational setting. We would need 1 family member to attend the trip with them to support on the day. Hatton provide free tickets for adults acting as 1:1 support on the day so no cost would be involved on your part. If you are unable to attend, please can you let me know asap.

On the 13 and 14 of July Brambles will be closed to pupils for teacher training. Warwickshire County Council are using Brambles as a base to deliver specific resource provision training on these days.

Kind regards

Joel Baldwin
