

Welcome!

Hello Cherry Class!

My name is Mrs McNeil and we are about to begin an amazing journey together! We have so many wonderful things planned for 2023/2024.

I am really looking forward to getting to know you and your families and helping you to reach your full potential!

I hope you enjoy learning a little more about me in this presentation before I get to see you again in September.

All About Me: Mrs McNeil

I have been teaching for more than 20 years. I started my teaching career in my home country, England, but after 2 years I embarked on an exciting opportunity to teach at an International School in Kenya! 7 years later I returned home to teach, get married and become a mummy for the first time.

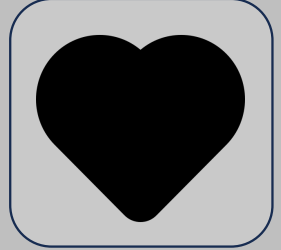

As a family of 3, we decided it was time for another adventure, and off we went to work in Qatar. During our time there we went from a family of 3 to a family of 5, yes you guessed right, I became a mummy to twins! It was decided that the 5 of us still needed more excitement in our life because after 5 years we then moved to El Salvador!

During the pandemic, I really missed my family. So we returned to England last year, and now I'm excited to be a part of your learning journey at Paddox!
