

30 April 2024

Dear Parents/Carers

Sexual Relationship Education (SRE)

With this letter are the Changing Me leaflets the staff have prepared for you. These leaflets cover the topics and vocabulary that will be covered in the Changing Me week, which will take place week commencing 10 June. In order to give the full picture, we have shared the content of all year groups with you. [Changing Me Leaflets](#)

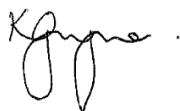

If you would like to see any of the content prior to the sessions please contact the class teacher. Over the next week we will send out a form for you to complete confirming if you would like to attend an information evening before the Changing Me week.

A reminder that currently you can ask to withdraw your child from only the lessons explicitly covering sexual relations, nothing else and the children will cover this content in science lessons, which you are not entitled to remove them from. If you wish to remove your child from any particular lessons please email the teachers directly and copy me in to the email.

SRE is now compulsory for all schools and we need to ensure that all our children are as prepared as possible for the world they live in, particularly the social media world. The more age appropriate information they have, the better.

As always if you have any questions, please email me at guymer.k1@welearn365.com

With best wishes

Kate Guymer
Headteacher
